

Jadwalah Smart Display Panel

A versatile 15.6-inch smart display designed for meeting room scheduling, room booking, and manager office nameplates, featuring fully customizable layouts and branding tailored to each client's specifications.

CORE CAPABILITIES

- ✓ **Meeting Room Scheduling & Booking**
Displays room availability in real time, lets users book, extend, or end meetings directly from the panel, and integrates with Microsoft 365, Exchange, and Google Workspace.
- ✓ **Manager Office Name Plate**
Displays the office occupant's name and status, ideal for executive and manager offices.
- ✓ **Customizable Layout & Branding**
Layout, content, and on-screen logo can be fully customized as per client requirements.
